

## Reports of Technical Visits / Seminars

### Seminar on EIA Requirements in China

Date :	31 August 2004
Topic :	EIA Process and Requirements in China
Speaker :	Dr. Michael Liang (ERM China)
Venue :	Conference Room, ERM

### Summary

The Institute organised a seminar on EIA Process and Requirements in Mainland China on 31 August 2004.

For those who couldn't attend the seminar, you may view the presentation documents - [powerpoint](#) or [EIA flowchart](#) for reference

The seminar was very well received and the Institute would like to thank Dr. Michael Liang for the extremely interesting presentation and discussions that evening.
